PREVIEW: I'll Always Know What You Did Last Summer

This is a trailer I made for a sequel I wrote to I Still Know What You Did Last Summer. This is the REAL SEQUEL to I Still Knowâ€¦ Not that crap remake we got on DVD.

PLEASE let me know what you thought and if you would like to read my actual SEQUEL: I'll Always Know What You Did Last Summer.

TRAILER:

THE FIRST TIME THEY KEPT A SECRETâ€¦

Clips show Ray hitting Ben Willis with their car.

THE SECOND TIME THE SECRET CAME BACK TO HAUNT THEMâ€¦

Clips show Julie at the Bahamas.

Julie: It's happening again.

THIS TIMEâ€¦.

We see Julie walking around her house. Looking in fear.

â€¦THEY FIND OUT A NEW SECRET

Pictures of Barry and Helen are seen on a computer screen.

RAY

Barry and Helen? I can't imagine what brought him to that.

JULIE

They killed Ben Willis' brother Dan.

RAY

That doesn't make any sense. You think Barry and Helen would have kept that from us?

#JULIE

After what we went through with them I can't imagine they would.

We see a big crowd of people at a pool. Further back behind that same crowd, Julie sees a man dressed in a fisherman outfit. She sees his hook for a hand. Julie gets very spooked by it. She gets up.

Ray: So Sandy, what are you going to do if you win the finals?

Sandy: #I can quit my job now which I hate and move on to do what I love. Maybe even do it professionally.

CUT TO:

JULIE

I was beginning to feel like I could go back to how I used to be.

RAY

Two years hasn't been enough?

CUT TO:

JULIE

We need to find out what really happened and why. There's an address.

We then see Ray and Julie at someone's house.

RAY

Recently we just discovered that they were responsible for killing a man. Related to someone we know.

#WOMAN

Barry and Helen killing someone?

JULIE

Do you know why they would kill someone?

WOMAN

I do know however that it wasn't just Barry and Helen who did this.

CUT TO:

MAN

Maybe we should tell Julie and Ray.

WOMAN

I don't think we should. We'll deal with it on our own.

CUT TO:

MAN

Well it wasn't your idea. Sandy and I came to you.

MAN #2

I guess we all have a part in this to be blamed for then.

WE SEE VARIOUS CLIPS:

- The fisherman and Julie see each other face to face.
- JULIE

JUST DO IT!! I'M NOT GOING ANYWHERE!! YOU HEAR ME!?

- Ray Punching someone in the face.
- Julie being chased by a car.
- A pool filled up with blood.

I'LL

- A woman trying to kiss Ray.
- Woman: I just want to find someone to be with.
- A man falling from a building.

ALWAYS

- Julie opening a letter.
- Woman: HELP ME! SOMEBODY!

The Fisherman gets closer to her.

KNOW

- Something attacking Julie from behind.

WHAT

- Ray being thrown through a car window.

YOU

- A woman hitting the Fisherman in the face with a fire extinguisher.

DID

- Julie: He already has a reason to come after us. We hit him with our car. We need to end this bastard already!

LAST

- Julie: RAY!!

- Ben Willis breaking through a door.

SUMMER

Ben Willis: I'll Always know what you did last summer.

Julie: It was FIVE summers ago!

Julie kicks Ben near something sharp.

AS THEIR SECRET STILL COMES BACK TO HAUNT THEM

Ben Willis: You can't keep running away from me Julie!

THEY WILL HAVE TO DEAL WITH A NEW SECRET THAT MAY BE EVEN MORE TERRIFYING.

Ben swings his hook over at Julie.

Voice: THIS THIRD AND FINAL SEQUEL CONCLUDES THE STORY AND LIVES UP TO THE ORIGINAL.

I'LL ALWAYS KNOW WHAT YOU DID LAST SUMMER.

We then see Karla Wilson looking at a picture of Tyrell. She then turns around fast in fear. The Fisherman jumps out.
